CAIO ANDRADE
MIXING

3.1 - Assignments:

It is characterized as "assignments", only the services contracted.

That is, if you hire me to Mixing, I will just do mix the songs.

3.2 - Non-Assignments:

Editing, vocal tuning, overdub recording or additional instrument recording are Non-assigned jobs. Unless you hire this optional services anticipatedly.

3.3 - Valores de serviços de adicionais:

- Editing / Timing: US\$25,00 (per song)
- Vocal Tuning: US\$25,00 (per song - up to 6 lines)
- Additional instrument recording: US\$30,00 (per instrument)

4 - Turnaround time:

Mixing: 2 ~ 5 days (per song)

Mastering: 1 ~ 3 days (per song)

Mixing + master: 3 ~ 7 dias (per song)

(EP's and Albuns need a different turnaround time)

5 - Revisions:

2 free revisions are guaranteed. Revisions must be requested within 24 hours after delivery of the file. Additional revisions after this period cost US\$20,00.

6 - Stems and file storage:

6.1 - File storage:

Files are guaranteed to remain on the HD for 3 months. After that I no longer force myself to keep them.

6.2 - STEMS:

The mix can have its stems (the individual files mixed) sent, however this must be requested beforehand. The delivery time for stems is 10 days.

7 - Refund:

There is no refund in case of dissatisfaction with the service. There is no refund because there are labor costs, electricity costs, equipment maintenance, eventual assistants etc.
